G.O. No. Ms. 142 Public Health dated 18. 1. 1949.

The Commissioner Mayuram Municipality is informed that the journeys undertaken by the members of the public health establishment for epidemic duty should be treated as on transfer and that the advances of pay and travelling allowance might be paid under rule 7 (2) of the Rules governing the payment of advances to officers and servants of Municipal Councils. The Commissioner can make payments in anticipation of the sanction of the council under Section 15 of the M.D.M Act, and then report his action and the reasons thereof to the council at its next meeting under proviso (b) to Section 15 of the said Act.

In the above circumstances, the Government consider that there is no necessity to amend the rules issued with G.O. 642 L & M., dated 17- 3- 1932.
